## 3D-pyramids

### Tutorial

#### Remark:

All steps have to be done in the given order. The figures always show the view from above. This tutorial shows you how to build a 3x3 pyramid; of course, this is extendable as long as you like. Have fun!

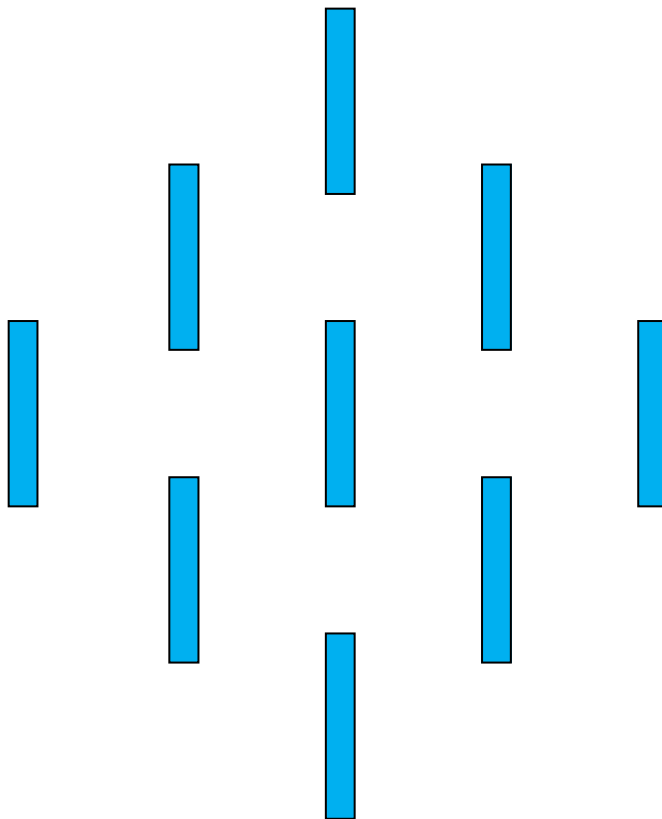

Domino that is being placed in this step.

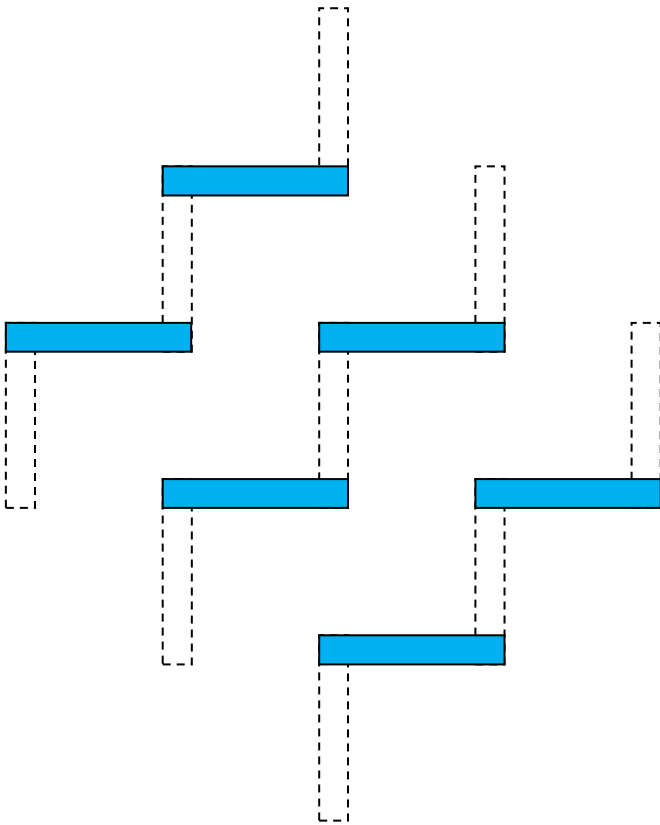

Domino that has been placed in the previous step.

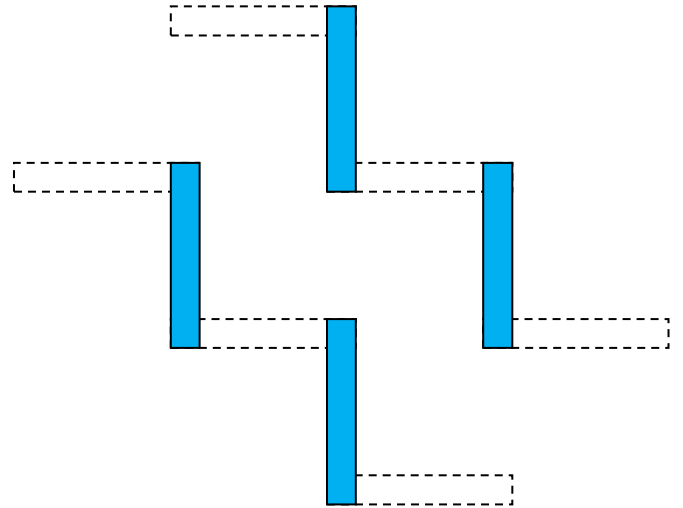

#### Step 1:

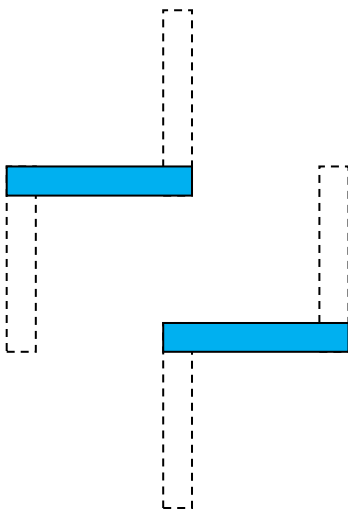

Step 2:

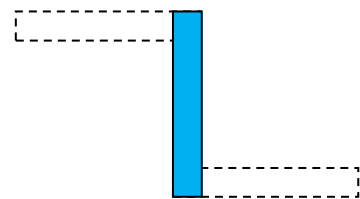

Step 3:

Step 4:

Step 5:

Have fun rebuilding it!
